**Vegetable Seed Packet Giveaway!**

Community Plant Day is an opportunity for volunteers from both the Westfield in Bloom Committee and the community to come together and plant flowers in the garden areas at Quaker Park. In 2010, over 3000 flowers were added to the park as part of this city beautification project. Be part of planting pride in our community, and volunteer today by contacting us at the information listed above. Please remember to bring your hand shovels and gloves!
